GET A COMPLETELY CORDLESS JOBSITE

The LXT System handles most applications, but for high-demand applications that use corded, gas or air, the XGT System delivers higher-powered solutions. With 40V max and 80V max XGT Products, pros can fully experience a battery-powered job site.

FOR HIGH DEMAND APPLICATIONS

CORDED

GAS

AIR

XGT is a NEW 40V | 80V max System of Cordless Equipment and Tools

XGT OUTPOWERS, OUTSMARTS, and OUTLASTS the rest. Through Makita's innovative engineering, the technology within XGT will lead to creating the equipment and tools of the future.

A NEW SYSTEM OF EQUIPMENT & TOOLS

XGT is a 40V | 80V max system of cordless equipment and tools. XGT outpowers, outsmarts, and outlasts the rest. Through Makita's innovative engineering, the technology within the XGT system will create the equipment and tools of the future.

40V max

The XGT System is the next generation of technology, engineered to achieve the optimum power required for heavier load applications without sacrificing run time. These high-powered products are the one-Battery solution to handle the most demanding jobs and environments.

100+
PRODUCTS
ONE SYSTEM

BEYOND LIMITS

OUTPOWER

PURE COPPER WIRE

Makita XGT Products feature purpose-built Brushless Motors with more copper windings for increased power output.

RARE EARTH MAGNETS

Rare earth magnets of the highest quality are engineered within the Brushless Motors to maximize power and performance.

OUTSMART

BUILT-IN MICROCHIPS

Built-in microchips in both tool and Battery allow for real-time digital communication, actively monitoring heat, overload, and over-discharge.

DIGITAL COMMUNICATION

Digital communication between XGT Tools and Batteries through enhanced digital communication technology optimize performance to deliver up to 2X longer sustained power during demanding applications.

OUTLAST

WATER & DUST RESISTANCE

Water and dust-resistant triple layer structure and an enhanced terminal structure are engineered to protect against water and dust for any job site condition.

RAPID OPTIMUM CHARGING SYSTEM

XGT Charger and Dual Cooling Fans digitally communicates before and during the charging process, evaluating Battery condition to deliver a consistent fast charge. Charges LXT batteries with adapter.

80V (40Vx2) max

Two batteries mean more power! Makita-built brushless motors, along with two 40V max XGT Batteries, deliver the power and performance required for heavy-load applications. By using two 40V max XGT Batteries, you get 80V of power within one system.

The increased power and performance allow XGT Cordless Equipment and Tools to rival corded tools and gas equipment.

40V max XGT Chargers

DC40RA
40V max XGT Rapid Charger

- Charges a 40V max XGT 2.5Ah Battery in 28 minutes, and 4.0Ah Battery in 45 minutes
- Built-in chip communicates during the charging process to control current, voltage, and temperature

New DC40RC
40V max XGT Fast Charger

- Charges a 40V max XGT 2.5Ah Battery in 38 minutes, and 4.0Ah Battery in 67 minutes
- The embedded Central Processing Unit (CPU) in the battery communicates with the charger, analyzing the battery's condition for customized charging

DC40RB
40V max XGT Dual Port Rapid Charger

- Charges a 40V max XGT 2.5Ah Battery in 28 minutes, and 4.0Ah Battery in 45 minutes
- Three fan design circulates air through the batteries and circuit board for faster charging

ADP10
18V LXT Adapter for XGT Chargers

- Adapts 40V max XGT chargers to charge 18V LXT batteries (batteries not included)
- Charges a 18V LXT 5.0Ah Battery in 40 minutes, and 6.0Ah Battery in 50 minutes

LEADING SERVICE

Makita manufactures best-in-class industrial power tools for the professional user. Our tools work hard and stand up to brutal working conditions, but last even longer with periodic service and repairs. That's why we offer a comprehensive national service network. Makita Factory Service Centres deliver world-class service for the complete care of all Makita Products. We are also proud to offer a coast to coast network of Authorized Service Centres. Makita Authorized Service Centres meet our high-quality standards and provide the same distinguished service experienced at any of our Makita Factory Service Centres.

QUALITY SERVICE

- Repairs under warranty are covered at no charge
- Makita Factory Service Centre Technicians will repair your tool with genuine Makita parts
- 10 Factory Service Centres located across Canada
- Hundreds of Authorized Service Centres

FAST REPAIR TIME

- Your convenient solution for quick tool repairs
- Most repairs are completed within 3 business days of receipt
- 24/7 Solution for quick & convenient repairs

WARRANTY STATEMENT

MAKITA CANADA INC.

Limited One Year General Product Warranty:

All Makita tools purchased in Canada from authorized dealers are warranted to be free of defects from workmanship and materials for a period of ONE YEAR from the date of original purchase.

Limited Two Year Outdoor Power Equipment Warranty:

All Makita gas powered outdoor power equipment (OPE) is warranted to be free of defects from workmanship and materials for a period of TWO YEARS from the date of original purchase. This warranty includes Makita gas powered OPE products (excludes gas powered air compressors) used in consumer, commercial or rental applications. Accessories included with OPE products have a ONE YEAR warranty. These accessories include but are not limited to; chainsaw chain, chainsaw bars, trimmer heads, brush cutter blades, handles, harnesses, hoses, connectors, filters, bags, tool kits, adjustment / maintenance tools.

Limited Three Year Pneumatic Nailer, Lithium Ion Tool, Battery and Charger Warranty:

All Makita lithium ion products, lithium ion batteries and lithium ion Battery chargers are warranted to be free of defects from workmanship and materials for a period of THREE YEARS from the date of original purchase. Exclusions are, but not limited to, flashlights, work lights, job site radios, speakers, jackets/vests, power source adapters and Battery adapters. Products excluded have a ONE YEAR warranty. All Makita pneumatic nailers and staplers are warranted to be free of defects from workmanship and materials for a period of THREE YEARS from the date of original purchase. Any accessories included with pneumatic nailing / stapling products have a ONE YEAR warranty. **NOTE:** The limited THREE YEAR warranty for Pneumatic nailers, staplers as well as **Lithium Ion** batteries and chargers applies only to products purchased **in Canada** after April 1, 2018.

Makita Warranty Terms, Limitations and Exclusions:

Should any problem develop during the specified warranty period shown above, return the complete product (freight prepaid) to one of Makita's Factory or Authorized Service Centres in Canada. If a qualified inspection shows the problem is caused by defective workmanship or material, Makita may choose to repair and / or replace the product in question. This warranty does not apply where:

- Repairs to the product have been made or attempted by others.
- Repairs to the product are required because of normal wear and tear.
Regarding pneumatic nailers / staplers the following wear items will be covered under the Limited One Year General Warranty: piston / driver assemblies, piston cushions / stoppers, driver blades, rubber O-rings, seals and air filters.
- The product has been abused, misused or improperly maintained.
- Alterations have been made to the product.
- Regarding lithium ion products and chargers; the use of non-Makita brand batteries will void all warranties for these products.

In no event shall Makita be liable for any indirect, incidental or consequential damages from the sale or use of the product. This disclaimer applies both during and after the term of this warranty. Makita disclaims liability for any implied warranties, including implied warranties of merchantability and fitness for a specific purpose, after the applicable term of this warranty. This warranty provides for specific legal rights. The provisions contained in this warranty are not intended to limit, modify or take away from, disclaim or exclude any warranties set forth in any legislation. To the extent required by law, the provisions in any provincial or federal legislation with respect to warranties take precedence over the provisions of this warranty.

This warranty is subject to change without notice.
